

Appendix A- Journals & Newsletters for GWM 310

All of these journals are available in the Covenant Theological Seminary library.

The contents of most of the journals below (marked with *) may be browsed through the ATLA Religion Database available through Covenant Seminary library's website. Once into the "ATLA Religion Database," enter your student ID number (found on Covenant billing statements and grade reports), enter the name of the journal/periodical in the "Search For" blank and select "Source" instead of "Keyword." The results will turn up both links to the journal information itself as well as articles found in the journals. Some journals, articles, and/or tables of contents may be read in full online (these are marked with **). Articles not available online may be requested by selecting the ILL (Inter-Library Loan) link.
